APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on
the source. A substantial headgate and weir must be installed and maintained
at or near the point of diversion to facilitate the measurement and con-
trol of water. The State reserves the right to regulate the use of the
water herein granted at any and all times. It is distinctly understood
that applicant agrees to the terms herein contained.
The amount of water to be appropriated shall be limited to the amount
which can be applied to beneficial use, and not to exceed 0.4
cubic foot per second.

Actual construction work shall begin on or before September 1, 1924

Proof of commencement of work shall be filed before October 1, 1924

Work must be prosecuted with reasonable diligence and be completed on or
before September 1, 1925

Proof of completion of work shall be filed before October 1, 1925

Application of water to beneficial use shall be made on or before

September 1, 1927. Proof of the application of water to beneficial
use must be filed with State Engineer on or before October 1, 1927

Dec. 13, 1927 WITNESS MY HAND AND SEAL this 1st day
of July, 1924.
